Subject: HPNS | Parcel A fact sheet for your quick review
Attachments: Parcel A Fact Sheet 11-6-2020 Updated2.pdf

Mike and Angeles,

Attached is the Parcel A fact sheet for your review. As you know, we have been working on this fact sheet for over a year. Initially, it was going to be a quick an update to our 2017 Parcel A fact sheet. Then, the Office of Community Investment and Infrastructure (OCII) asked us to tackle this subject more completely. So, we created a more comprehensive update.

I would love to be able to turn this around soon, and I hope you can review in the next few days. It will take me a couple days to make any edits and make a 508-compliant version to share.

As far as sharing the final fact sheet. Our plan is to:

- share this with the city (OCII) and the Hunters Point Shipyard Citizen's Advisory Committee (HPS CAC). The HPS CAC will likely share with its email list of community stakeholders. OCII will likely share with the SF Shipyard HOA.
- add it to our website and include some language in the "announcements" section
- share it with the SF District 10 supervisor
- share it with interested congressional offices (maybe?)
- print hardcopies for the city to have on display at the SF Shipyard HOA/OCII
